

**CLINICAL AFFILIATION AGREEMENT
(Therapy)**

This Clinical Affiliation Agreement (this "Agreement") is made effective as of 4/20/2021 (the "Effective Date") by and between **Board of Regents of the University System of Georgia, by and on behalf of Georgia State University**, Georgia State University and its Byrdine F. Lewis College of Nursing and Health Professions ("School") and **Vanderbilt Stallworth Rehabilitation Hospital, L.P.**, a Tennessee limited partnership ("Encompass Health").

WHEREAS, Encompass Health owns and/or operates an inpatient rehabilitation hospital located at 2201 Children's Way, Nashville, Tennessee 37212 ("Hospital");

WHEREAS, School offers its students an undergraduate degree, or graduate degree, or certification program in the field of therapy;

WHEREAS, as part of such degree or certification program, School desires for its students to have the ability to participate in clinical rotations in patient-care settings at the Hospital; and

WHEREAS, both parties agree that it is to their mutual advantage for selected students of School (the "Students") to receive clinical education experiences at the Hospital.

WITNESSETH:

NOW, THEREFORE, in consideration of the premises and the mutual covenants and agreements contained herein, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Encompass Health and School hereby agree as follows:

1. Affiliation Procedure. Each clinical education program at Hospital is referred to as the "Program." The Chief Executive Officer of the Hospital will designate a representative to act as a liaison between School and Hospital regarding the Hospital's duties under this Agreement. School shall communicate directly with Hospital to arrange the details of the Program for each Student. This Agreement includes degree programs/disciplines at School and will allow Students to participate in clinical rotations in the therapy field. Notwithstanding the foregoing, Hospital is not obligated to accept any Student. The parties understand and agree that the Programs are not exclusive and the School may place Students in hospitals owned and operated by other entities, and Hospital may accept students from other educational institutions.

2. Mutual Responsibilities.

(a) The schedule, content, objectives and goals of all Programs will be arranged in cooperation between the Provost of the School or his/her designee and the Chief Executive

Officer of the Hospital or his/her designee. The parties shall mutually agree on the number of Students and the length of time each Student shall spend participating in a Program at the Hospital.

(b) The School and the Hospital acknowledge and agree that Hospital rules and regulations apply to Students and Hospital shall provide for the orientation of both School faculty and participating Students as to the facilities, philosophies, rules, regulations and policies of the Facility. The rules and regulations of the Hospital, including, but not limited to, Hospital's Drug and Alcohol Policy, shall be provided to the School by the Hospital. Notwithstanding the foregoing, no Student, agent, or employee of the School shall be considered an employee of Encompass Health Corporation or the Hospital at any time during the term of this Agreement and, therefore, no workers' compensation coverage will be provided to any Student, agent or employee of the School by Encompass Health Corporation or Hospital.

(c) Hospital staff shall, upon request, assist the School in the evaluation of the learning and performance of participating students, provided the student has signed a consent to exchange of educational information in accordance with the Family Educational Rights and Privacy Act of 1974, as amended. However, the Hospital hereby agrees to keep confidential any student records or information it may obtain, unless it has otherwise obtained prior written consent of the student. Although the School shall obtain all required consents, the Hospital shall have the right to rely on such consents and to obtain copies of such consents upon request. Unless otherwise specified herein, any evaluation of students by the Hospital shall relate only to general student participation and shall in no way be construed as a certification by the Hospital as to the competence of any student or a representation by the Hospital of any student's ability or competence in connection with the practical implementation of any knowledge gained through the clinical experience.

3. School Responsibilities.

(a) The School shall use its best efforts to see that the Students selected for participation are prepared for effective participation in the training phase of their overall education. Only those Students who have satisfactorily completed the prerequisite portion of their curriculum will be selected for participation in a Program at the Hospital. Prior to each Student's clinical experience, if rotating in a patient care role, the School shall advise student that he or she shall provide the Hospital written verification that such Student is competent to perform basic emergency procedures, such as Cardio-Pulmonary Resuscitation. The School will retain ultimate responsibility for the education of its Students.

(b) Faculty provided by the School, if any, shall be duly licensed, certified or otherwise qualified to participate in the Program. The School will provide proof of licensure, certification or other qualifications to Hospital upon request.

(c) The School shall select Students without regard to considerations of race, color, religion, sex (including pregnancy, childbirth, or related medical conditions), gender, gender identity, gender expression, age, marital status, national origin, veteran status, sexual orientation, disability, genetic information, or any other factor made unlawful by federal, state, or local laws. Prior to the Students' clinical experience, the School will inform Student that they are required by

and must submit to Hospital verification of immunization against communicable diseases, such as tuberculosis, *etc.*, as recommended by the Centers for Disease Control.

(d) The School will inform participating students of the Hospital's requirement that they must procure and maintain throughout the Program professional liability insurance in amounts, form, and by a carrier satisfactory to Encompass Health and the School in amounts no less than \$1,000,000 per occurrence and \$3,000,000 in the aggregate, and covering their activities at the Hospital on an occurrence-basis, and to provide evidence of such insurance to the Hospital prior to participation in the Program. The School is a self-insured entity of the State of Georgia covered by the Georgia Tort Claims Act and the State of Georgia Broad Form Insurance. School faculty members will be provided professional liability coverage pursuant to the terms and conditions of the Georgia Tort Claims Act (O.C.G.A. 50-21-20 et seq.). The School will provide Worker's Compensation insurance coverage for its participating faculty members. However, neither the School nor the Facility will provide Worker's Compensation insurance or other insurance coverage for students. This paragraph will survive the termination of this MOU.

(e) The School agrees that and shall inform Students that it is the Students' responsibility for arranging their: (i) transportation needed to fulfill their responsibilities at the Hospital; (ii) room and board during their participation in the Program; and (iii) arrival and departure dates with the Hospital.

(f) The School shall advise the Student that he/she will be required to sign a Statement of Confidentiality in the form attached hereto as Exhibit A.

(g) The School shall advise the Student that he/she will be required to sign an Acknowledgement Form regarding Hospital's Drug and Alcohol Policy in the form attached hereto as Exhibit B.

(h) The School shall advise the Student that he/she will be required to sign a Release Statement Certification regarding certain investigative background checks in the form attached hereto as Exhibit C.

(i) The School shall advise the Student that he/she will be required to sign a Health Insurance Portability and Accountability Act (HIPAA) Student Training Documentation form regarding the confidentiality and privacy of patient protected health information in the form attached hereto as Exhibit D.

4. Hospital Responsibilities.

(a) The Hospital shall provide all reasonable information requested by the School on a Student's work performance, and notify the School as soon as practical in advance of a clinical assignment or of any change in the Hospital's ability to take Students. The Hospital, in cooperation with the School, shall inform each Student of all relevant schedules, rules, and regulations of the Hospital, including Hospital's Drug and Alcohol Policy, and professional standards of practice. The Hospital shall provide each Student with a work schedule similar to that of a clinician. The Hospital shall complete and return all Student evaluations according to any reasonable schedule provided by the School.

(b) Hospital shall carry appropriate professional liability insurance on its employees, but not any Students or faculty provided by the School, in the amounts of at least \$1,000,000 per occurrence and \$3,000,000 in the annual aggregate and provide written evidence to the School upon reasonable request.

(c) The Hospital may provide to the Students, to the extent possible, first aid for injuries, including, but not limited to, needle sticks. However, the Hospital assumes no responsibility, financial or otherwise, beyond the initial first aid, and treatment and the payment for such treatment shall be the responsibility of the individual Student.

(d) The Hospital shall provide clinical instruction to the Students and supervise the Students' clinical experience.

(e) The Hospital is responsible for assuring that the healthcare and rehabilitation services received by its patients are performed in a competent, efficient and satisfactory manner. Therefore, the Hospital has the right to perform criminal background screening and drug and alcohol tests on Students prior to the Students' participating in the Program and randomly during their participation in the Program, regardless of whether the Hospital has reasonable suspicion of drug and/or alcohol usage by the Students.

5. Student Withdrawal. A Student may be withdrawn from the Program at any time by the School or the Hospital for any of the following reasons:

- (a) Unprofessional or unethical behavior exhibited by the Student.
- (b) Failure by the Student to meet any necessary academic requirements.
- (c) Personal good cause, including, but not limited to, medical emergencies.
- (d) Arrest for a felony or crime involving moral turpitude or theft.

(e) Use of alcohol, drugs or other toxic or foreign agents which tend, in the Hospital's reasonable judgment, to limit or adversely affect the Student's duties and responsibilities.

(f) Refusal to take a drug and alcohol test, or if a test proves positive for a measurable quantity of intoxicants, non-prescribed narcotics, hallucinogenic drugs, marijuana or other non-prescribed controlled substance, or any other violation of Hospital's Drug and Alcohol Policy.

- (g) Any other reason in the reasonable judgment of Hospital.

6. Confidential Information. The School shall not disclose the terms of this Agreement to any person who is not a Student or a party to this Agreement, except as required by law including the Georgia Open Records Act or as authorized by Encompass Health. Unauthorized disclosure of confidential information or of the terms of this Agreement shall be a material breach of this Agreement and shall provide Encompass Health with the option of pursuing remedies for breach, or, notwithstanding any other provision of this Agreement, immediately terminating this

Agreement upon written notice to School. The School shall inform Students that they must maintain as confidential all Encompass Health information, including data and all patient records. Students should not copy or remove any Encompass Health materials or patient information from the premises. Students doing case studies must have a signed patient release form on the patient's chart. Each Student shall at all times abide by and adhere to all policies and procedures of Encompass Health with respect to the protection of individually identifiable health information or any requirements as may be applicable to the Students or the School in accordance with the Health Insurance Portability and Accountability Act of 1996 (HIPAA) or the regulations promulgated relative thereto.

7. Use and Protection of Intellectual Property. Encompass Health retains all rights and interests in its name and logo and all related intellectual property, including programs and educational materials (collectively "Intellectual Property"). The School shall inform Students that all intellectual property Students create while at Encompass Health, through work, study or research and development activities, will be the property of Encompass Health. The School shall notify Students that Hospital requires as a condition of participation for Students to irrevocably transfer all of the Student's rights, title and interest in and to the intellectual property to Encompass Health if necessary. The School agrees to notify that Student may be required to sign and give to Encompass Health any agreements, assurances, undertakings, acknowledgements or other documents Encompass Health may reasonably require relating to the intellectual property during the Program or afterwards.

The term of this Agreement shall commence on the Effective Date and shall continue in full force and effect for a period of three (3) years, unless earlier terminated: (a) by the parties upon mutual written consent, (b) by either party upon at least ninety (90) days' prior written notice to the other party or (c) as otherwise set forth herein. Students participating in a Program at the time of notice of termination shall be given the opportunity to complete their clinical rotation at the Hospital, at the hospital's sole discretion. 13. Counterparts; Electronic Execution and Retention. This Agreement may be executed in any number of counterparts, each of which, when so executed, shall be deemed to be an original, and such counterparts shall, together, constitute and be one and the same instrument. A signature on a counterpart may be made by facsimile or otherwise electronically transmitted, and such signature shall have the same force and effect as an original signature. No joint venture or partnership, no relationship of employer and employee or principal and agent, is created by this Agreement and neither party shall be considered an agent or employee of the other party. Neither party, nor any of its agents, employees or affiliates, shall have any claim under this Agreement or otherwise against the other party for vacation pay, sick pay, retirement benefits or any other employee benefit of any kind.

16. Modifications and Waivers. This Agreement may not be changed or terminated orally, but may only be changed or terminated by an agreement in writing signed by both parties. A Summary of Your Rights Under the Fair Credit Reporting Act

The federal Fair Credit Reporting Act (FCRA) promotes accuracy, fairness, and privacy of information in the files of consumer reporting agencies. There are many types of consumer reporting agencies, including credit bureaus and specialty agencies (such as agencies that sell information about check writing histories, medical records, and rental history records). Here is a summary of your major rights under the FCRA. **For more information, including information about additional rights, go to www.consumerfinance.gov/learnmore or write to: Consumer Financial Protection Bureau, 1700 G Street N.W., Washington, DC 20522.**

- **You must be told if information in your file has been used against you.** Anyone who uses a credit report or another type of consumer report to deny your application for credit, insurance, or employment – or to take another adverse action against you – must tell you, and must give you the name, address, and phone number of the agency that provided the information.
- **You have the right to know what is in your file.** You may request and obtain all the information about you in the files of a consumer reporting agency (your “file disclosure”). You will be required to provide proper identification, which may include your Social Security number. In many cases, the disclosure will be free. You are entitled to a free file disclosure if:
 - A person has taken adverse action against you because of information in your credit report;
 - You are the victim of identity theft and place a fraud alert in your file;
 - Your file contains inaccurate information as a result of a fraud;
 - You are on public assistance;
 - You are unemployed but expect to apply for employment within 60 days.

In addition, all consumers are entitled to one free disclosure every 12 months upon request from each nationwide credit bureau and from nationwide specialty consumer reporting agencies. See www.consumerfinance.gov/learnmore for additional information.

- **You have the right to ask for a credit score.** Credit scores are numerical summaries of your credit-worthiness based on information from credit bureaus. You may request a credit score from consumer reporting agencies that create scores or distribute scores used in residential real property loans, but you will have to pay for it. In some mortgage transactions, you will receive credit score information for free from the mortgage lender.
- **You have the right to dispute incomplete or inaccurate information.** If you identify information in your file that is incomplete or inaccurate, and report it to the consumer reporting agency, the agency must investigate unless your dispute is frivolous. See www.consumerfinance.gov/learnmore for an explanation of dispute procedures.
- **Consumer reporting agencies must correct or delete inaccurate, incomplete, or unverifiable information.** Inaccurate, incomplete or unverifiable information must be removed or corrected, usually within 30 days. However, a consumer reporting agency may continue to report information it has verified as accurate.
- **Consumer reporting agencies may not report outdated negative information.** In most cases, a consumer reporting agency may not report negative information that is more than seven years old, or bankruptcies that are more than 10 years old.

- **Access to your file is limited.** A consumer reporting agency may provide information about you only to people with a valid need – usually to consider an application with a creditor, insurer, employer, landlord, or other business. The FCRA specifies those with a valid need for access.
- **You may give your consent for reports to be provided to employers.** A consumer reporting agency may not give out information about you to your employer, or a potential employer, without your written consent given to the employer. Written consent generally is not required in the trucking industry. For more information, go to www.consumerfinance.gov/learnmore.
- **You may limit “prescreened” offers of credit and insurance you get based on information in your credit report.** Unsolicited “prescreened” offers for credit and insurance must include a toll-free phone number you can call if you choose to remove your name and address from the lists these offers are based on. You may opt-out with the nationwide credit bureaus at 1-888-567-8688.
- Effective September 28, 2018, the following FCRA right applies with respect to nationwide consumer reporting agencies:

CONSUMERS HAVE THE RIGHT TO OBTAIN A SECURITY FREEZE You have a right to place a “security freeze” on your credit report, which will prohibit a consumer reporting agency from releasing information in your credit report without your express authorization. The security freeze is designed to prevent credit, loans, and services from being approved in your name without your consent. However, you should be aware that using a security freeze to take control over who gets access to the personal and financial information in your credit report may delay, interfere with, or prohibit the timely approval of any subsequent request or application you make regarding a new loan, credit, mortgage, or any other account involving the extension of credit.

As an alternative to a security freeze, you have the right to place an initial or extended fraud alert on your credit file at no cost. An initial fraud alert is a 1-year alert that is placed on a consumer’s credit file. Upon seeing a fraud alert display on a consumer’s credit file, a business is required to take steps to verify the consumer’s identity before extending new credit. If you are a victim of identity theft, you are entitled to an extended fraud alert, which is a fraud alert lasting 7 years.

A security freeze does not apply to a person or entity, or its affiliates, or collection agencies acting on behalf of the person or entity, with which you have an existing account that requests information in your credit report for the purposes of reviewing or collecting the account. Reviewing the account includes activities related to account maintenance, monitoring, credit line increases, and account upgrades and enhancements.

- **You may seek damages from violators.** If a consumer reporting agency, or, in some cases, a user of consumer reports or a furnisher of information to a consumer reporting agency violates the FCRA, you may be able to sue in state or federal court.
- **Identity theft victims and active duty military personnel have additional rights.** For more information, visit www.consumerfinance.gov/learnmore.

States may enforce the FCRA, and many states have their own consumer reporting laws. In some cases, you may have more rights under state law. For more information, contact your state or local consumer protection agency or your state Attorney General. For information about your federal rights, contact:

NOTICE REGARDING BACKGROUND INVESTIGATION
PURSUANT TO CALIFORNIA LAW

Encompass Health Corporation and/or one or more of its subsidiaries (“the Company”) intends to obtain information about you for employment purposes from a consumer reporting agency. Thus, you can expect to be the subject of “investigative consumer reports” and “consumer credit reports” obtained for employment purposes. Such reports may include information about your character, general reputation, personal characteristics and mode of living. With respect to any investigative consumer report from an investigative consumer reporting agency (“ICRA”), the Company may investigate the information contained in your employment application and other background information about you, including but not limited to obtaining a criminal record report, verifying references, work history, your social security number, your educational achievements, licensure, and certifications, your driving record, and other information about you, and interviewing people who are knowledgeable about you. The results of this report may be used as a factor in making employment decisions in the hiring process and throughout your employment if you are hired. The source of any investigative consumer report (as that term is defined under California law) will be ESS, 2500 Southlake Park, Birmingham, AL 35244, toll-free (866) 859-1043, www.es2.com. The Company agrees to provide you with a copy of an investigative consumer report when required to do so under California law.

Under California Civil Code section 1786.22, you are entitled to find out from an ICRA what is in the ICRA’s file on you with proper identification, as follows:

- In person, by visual inspection of your file during normal business hours and on reasonable notice. You also may request a copy of the information in person. The ICRA may not charge you more than the actual copying costs for providing you with a copy of your file.
- A summary of all information contained in the ICRA’s file on you that is required to be provided by the California Civil Code will be provided to you via telephone, if you have made a written request, with proper identification, for telephone disclosure, and the toll charge, if any, for the telephone call is prepaid by or charged directly by you.
- By requesting that a copy be sent to a specified addressee by certified mail. ICRA’s complying with requests for certified mailing shall not be liable for disclosures to third parties caused by mishandling of mail after such mailings leave the ICRA’s.

“Proper Identification” includes documents such as a valid driver’s license, social security account number, military identification card, and credit cards. Only if you cannot identify yourself with such information may the ICRA require additional information concerning your employment and personal or family history in order to verify your identity.

The ICRA will provide trained personnel to explain any information furnished to you and will provide a written explanation of any coded information contained in files maintained on you. This written explanation will be provided whenever a file is provided to you for visual inspection.

You may be accompanied by one other person of your choosing, who must furnish reasonable identification. An ICRA may require you to furnish a written statement granting permission to the ICRA to discuss your file in such person’s presence.

**A SUMMARY OF YOUR RIGHTS UNDER THE
NEW JERSEY FAIR CREDIT REPORTING ACT**

The state of New Jersey Fair Credit Reporting Act (NJFCRA) is designed to promote accuracy, fairness, consumer confidentiality and the proper use of credit data by each consumer reporting agency ("CRA") in accordance with the requirements of the NJFCRA.

The NJFCRA is modeled after the Federal Fair Credit Reporting Act. You have received a Summary of Your Rights Under the Federal Fair Credit Reporting Act. The two Acts are almost identical, as are your rights under them. You can find the complete text of the NJFCRA at the Department of Consumer Affairs. You may seek damages for violations of the NJFCRA. If a CRA, a user or (in some cases) a provider of CRA data violates the NJFCRA, you may have a legal cause of action.

For questions or concerns regarding the NJFCRA please contact:

NEW YORK CORRECTION LAW – ARTICLE 23-A

Licensure and Employment of Persons Previously
Convicted of One or More Criminal Offenses

§ 750. Definitions.

For the purposes of this article, the following terms shall have the following meanings:

- (1) "Public agency" means the state or any local subdivision thereof, or any state or local department, agency, board or commission.
- (2) "Private employer" means any person, company, corporation, labor organization or association which employs ten or more persons.
- (3) "Direct relationship" means that the nature of criminal conduct for which the person was convicted has a direct bearing on his fitness or ability to perform one or more of the duties or responsibilities necessarily related to the license, opportunity, or job in question.
- (4) "License" means any certificate, license, permit or grant of permission required by the laws of this state, its political subdivisions or instrumentalities as a condition for the lawful practice of any occupation, employment, trade, vocation, business, or profession. Provided, however, that "license" shall not, for the purposes of this article, include any license or permit to own, possess, carry, or fire any explosive, pistol, handgun, rifle, shotgun, or other firearm.
- (5) "Employment" means any occupation, vocation, or employment, or any form of vocational or educational training. Provided, however, that "employment" shall not, for the purposes of this article, include membership in any law enforcement agency.

§ 751. Applicability.

The provisions of this article shall apply to any application by any person for a license or employment at any public or private employer, who has previously been convicted of one or more criminal offenses in this state or in any other jurisdiction, and to any license or employment held by any person whose conviction of one or more criminal offenses in this state or in any other jurisdiction, and to any license or employment held by any person whose conviction of one or more criminal offenses in this state or in any other jurisdiction preceded such employment or granting of a license, except where a mandatory forfeiture, disability or bar to employment is imposed by law, and has not been removed by an executive pardon, certificate of relief from disabilities or certificate of good conduct. Nothing in this article shall be construed to affect any right an employer may have with respect to an intentional misrepresentation in connection with an application for employment made by a prospective employee or previously made by a current employee.

§ 752. Unfair discrimination against persons previously convicted of one or more criminal offenses prohibited.

No application for any license or employment, and no employment or license held by an individual, to which the provisions of this article are applicable, shall be denied or acted upon adversely by reason of the individual's having been previously convicted of one or more criminal offenses, or by reason of a finding of lack of "good moral character" when such finding is based upon the fact that the individual has previously been convicted of one or more criminal offenses, unless:

- (1) There is a direct relationship between one or more of the previous criminal offenses and the specific license or employment sought or held by the individual; or
- (2) The issuance or continuation of the license or the granting or continuation of the employment would involve an unreasonable risk to property or to the safety or welfare of specific individuals or the general public.

§ 753. Factors to be considered concerning a previous criminal conviction; presumption.

1. In making a determination pursuant to section seven hundred fifty-two of this chapter, the public agency or private employer shall consider the following factors:
 - a. The public policy of this state, as expressed in this act, to encourage the licensure and employment of persons previously convicted of one or more criminal offenses.
 - b. The specific duties and responsibilities necessarily related to the license or employment sought or held by the person.
 - c. The bearing, if any, the criminal offense or offenses for which the person was previously convicted will have on his fitness or ability to perform one or more such duties or responsibilities.
 - d. The time which has elapsed since the occurrence of the criminal offense or offenses.
 - e. The age of the person at the time of occurrence of the criminal offense or offenses.
 - f. The seriousness of the offense or offenses.
 - g. Any information produced by the person, or produced on his behalf, in regard to his rehabilitation and good conduct.
 - h. The legitimate interest of the public agency or private employer in protecting property, and the safety and welfare of specific individuals or the general public.
2. In making a determination pursuant to section seven hundred fifty-two of this chapter, the public agency or private employer shall also give consideration to a certificate of relief from disabilities or a certificate of good conduct issued to the applicant, which certificate shall create a presumption of rehabilitation in regard to the offense or offenses specified therein.

§ 754. Written statement upon denial of license or employment.

At the request of any person previously convicted of one or more criminal offenses who has been denied a license or employment, a public agency or private employer shall provide, within thirty days of a request, a written statement setting forth the reasons for such denial.

§ 755. Enforcement.

1. In relation to actions by public agencies, the provisions of this article shall be enforceable by a proceeding brought pursuant to article seventy-eight of the civil practice law and rules.
2. In relation to actions by private employers, the provisions of this article shall be enforceable by the division of human rights pursuant to the powers and procedures set forth in article fifteen of the executive law, and, concurrently, by the New York city commission on human rights.

HIPAA STUDENT TRAINING / ORIENTATION

Confidentiality and Privacy mean that the patients have the right to control who will see their protected health information. With the enactment of the Health Insurance Portability and Accountability Act of 1996 ("HIPAA"), a patient's right to have his/her health information kept private, secure and confidential became more than just an ethical obligation of healthcare providers; it became a federal law.

Protected Health Information ("PHI") includes patient identity, address, age, social security number and any other personal information that patients are asked to provide. In addition, protected health information includes why a person is sick or in the Hospital, what treatments and medications he/she may receive, and other observations about his/her condition or past health conditions.

Healthcare providers use information about patients to determine what services they should receive. Ask yourself before looking at any protected health information:

- Do I need this in order to perform clinical rotation duties and provide quality care?
- What is the least amount of information I need to perform clinical rotation duties?

Depending on your task, if you do not need to know confidential patient information, then you should not have access to it.

Ways to protect a patient's privacy include:

- Keep discussions about patient care private if reasonably possible by closing doors, pulling curtains and conducting discussions so that others cannot overhear.
- Keep medical records locked and out of public areas.
- If you find that you are overhearing someone else discuss patient information, let them know they can be overheard, and politely remind the individual of the Hospital's privacy policies.
- Do not release any patient information, unless your supervisor has obtained a written authorization from the patient.
- Do not leave messages on answering machines regarding a patient's condition or test results.
- If you should need to copy medical records to complete an assignment, ask your supervisor for permission before making copies. Redact the patient's personal identifiers (*i.e.*, name, date of birth, address, medical record number, insurance information and social security number, if captured) prior to taking the record out of the hospital. **Return all copies to the hospital and shred.**
- If there are persistent problems regarding breaches of confidentiality or you have any questions, notify or contact your clinical rotation supervisor at the Hospital.
- As a student participating in a clinical rotation at the Hospital, I recognize the patients' right to privacy and agree to abide by the Patient's Bill of Rights as posted within the Hospital.
- Additionally, I agree that information relating to a patient's physical and/or emotional status will not be released or discussed except as needed for the care of that patient.

I also understand that breaking HIPAA's rules and regulations can mean either a civil or criminal sanction (penalty).

My signature below indicates that I have read and understood the above information, and will abide by the policies and procedures of the Hospital.
